<b>Introduction</b>	<b>1</b>	<b>Chapter 2. Comparison of Correctional and Community Mental Health Service Delivery Models</b>	<b>37</b>
<b>SECTION I. CORRECTIONAL PRACTICE: INTRODUCTION AND FOUNDATION</b>	<b>5</b>	<i>Robert J. Powitzky</i>	
<b>Chapter 1. Criminal Justice and Mental Health Systems: The New Continuum of Care System</b>	<b>7</b>	Introduction	37
<i>Thomas J. Fagan and Dyona Augustin</i>		Community Mental Health Services	38
The Criminal Justice System: An Overview	7	Correctional Mental Health Services	39
The Police	7	Three Levels of Services	39
The Courts	8	Correctional Mental Health Services: A Proposed Model	44
Jails and Prisons	8	Comparisons of Mental Health Services in Community and Correctional Settings	45
Community Corrections	9	Purpose	45
Criminal Justice/Mental Health Interface	11	Population Served	46
Police and Emergency Services Diversion Initiatives	13	Accountability and Responsibility	46
Judicial Diversion Initiatives	15	Legal Issues	47
Jail and Prison Initiatives	18	Personal Versus Professional Credibility	47
Community Corrections Initiatives	20	Multiple Roles	48
Summary and Conclusions	28	Axis I Versus Axis II Disorders	48
Key Terms	31	Confidentiality	50
Discussion Questions	31	Power Differential	50
References	31	Coerced Versus Voluntary Treatment	50
		Access to Total Healthcare	50

Research	51
Summary and Conclusions	51
Key Terms	52
Discussion Questions	52
References	52

**Chapter 3. Managing the Mentally Ill From a Correctional Administrator's Perspective** **57**

*Peter M. Carlson*

Introduction	57
Mentally Ill Criminal Offenders: A Societal Failure	57
Correctional Administrator Challenges Associated With Mentally Ill Offenders	58
Competing Priorities	58
Competing Missions	60
Role Conflicts	61
Diagnostic Confusion	61
Establishing a Standard of Care	62
Adequate Intake Screening Procedures	63
The Need for Staff Training About Mental Illness	63
Best Practices for Correctional Administrators	64
Housing for Mentally Disordered Offenders	64
Access to Care: Staff and Program Availability	65
Recruitment of Qualified Mental Health Professionals	65
Revisiting Correctional Justice: Changing Staff Perceptions	66
Summary and Conclusions	72
Key Terms	73

Discussion Questions	73
References	73

**SECTION II. ENTERING CORRECTIONAL PRACTICE** **77**

**Chapter 4. Clinical Assessment in Correctional Settings** **79**

*Daryl G. Kroner, Jeremy F. Mills, Andrew Gray, and Kelly O. N. Talbert*

Introduction	79
General Issues and Guidelines	79
Barriers to Optimal Assessments	79
Difficult Assessments Considerations Regarding Intake Screening Procedures	82
Assessment of Mental Health Problems	83
Sample Intake Screening Instruments	84
Sample Full Assessment Instruments	86
Suicide Risk Assessment	87
Suicide Risk Factors	87
Well-Researched Assessment Instruments	88
Less Researched Instruments	89
Violence Risk Assessment	89
Advances in Violence Risk Assessment	90
Violence Risk Assessment Instruments	90
General Principles for Choosing a Specific Assessment Instrument	92
Type of Client	93
Nature of Outcomes	93
Ease of Interpretation for Decisions	94
